TO PRACTICE NURSING IN THE
STATE OF NEW JERSEY

ORDER OF SURRENDER
OF LICENSE IN
RESOLUTION OF
PROVISIONAL ORDER
OF DISCIPLINE

This matter was opened by the New Jersey State Board of Nursing upon the filing on August 31, 2011 of a Provisional Order of Discipline based upon respondent's failure to comply with an agreement to enter the Recovery and Monitoring Program of New Jersey and comply with program requirements. The Provisional Order provisionally suspended respondent's nursing license. The

Board has been advised that respondent has since made significant efforts to comply with program requirements, but at present is unable to perform the functions of a licensee within the intendment of N.J.S.A. 45:1-21(i). Accordingly, respondent has agreed to voluntarily surrender her nursing license in resolution of the August 31, 2011 Provisional Order of Discipline.

It appearing that there is good cause for the entry of this Order, and that Respondent and the Board agree to its entry, the Board finding that this order is sufficiently protective of the public health, safety and welfare, and as this order shall remain in effect until further order of the Board. Accordingly,

IT IS ON THIS 16th DAY OF July, 2012,

HEREBY ORDERED AND AGREED THAT:

1. Respondent shall hereby voluntarily surrender her nursing license and she shall refrain from the further practice of nursing pending further order of the Board. Respondent shall forward her nursing license, along with her wallet-sized biennial renewal license forthwith to Susan Carboni, Deputy Attorney General, P.O. Box 45029, 124 Halsey Street, Fifth Floor, Newark, NJ 07101 on behalf of the Board of Nursing, if she has not already forwarded said license to the Board.

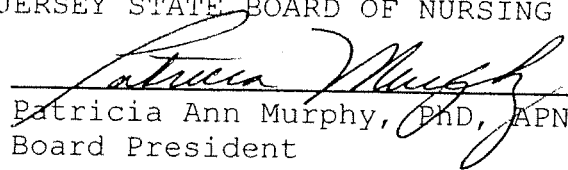

2. The Board shall not entertain any application for reinstatement from respondent unless or until respondent can demonstrate that she is fit and competent to resume nursing

practice by undergoing evaluation under the auspices of the Recovery and Monitoring Program of New Jersey (RAMP) or some other entity approved by the Board.

3. This order is entered without any admission of any wrongdoing by Respondent and without prejudice to any further investigation or prosecution of any matter by the Board of Nursing and the Attorney General against Respondent.
